

A metaphor representation of finished work process.

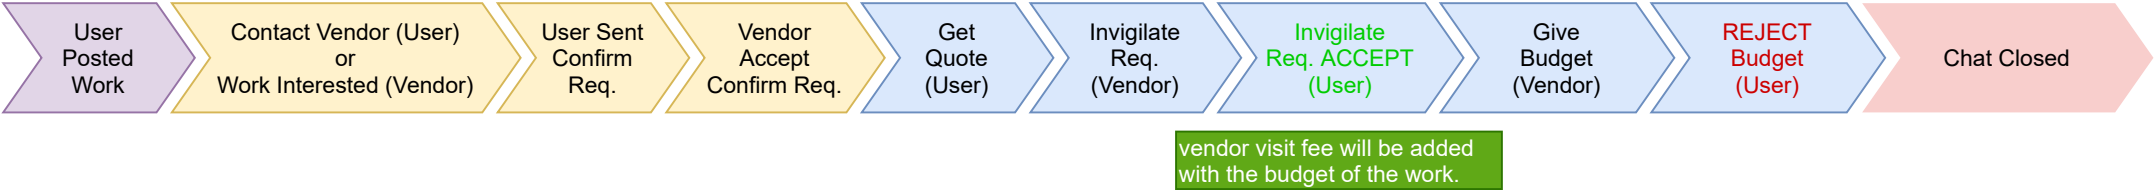

Work Process (Rejected on confirming vendor)

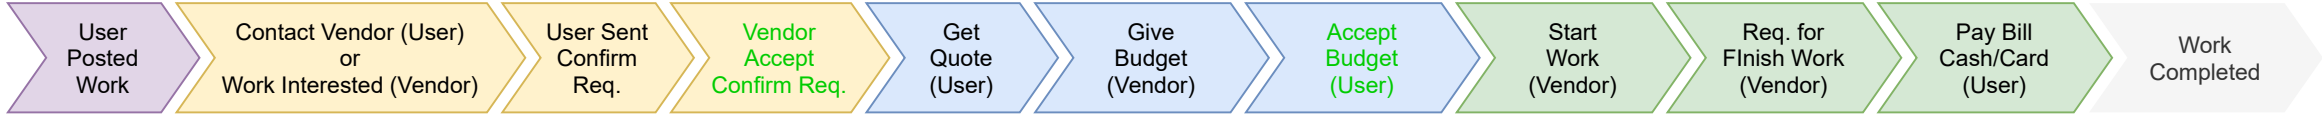

Work Process (Rejected on setting budget)

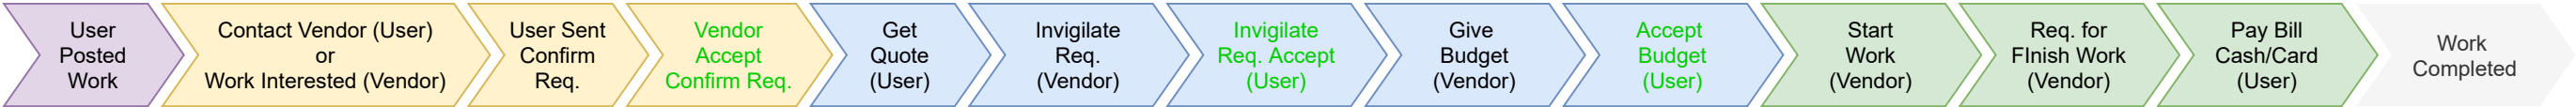

Work Process (Rejected on setting budget- case 2)

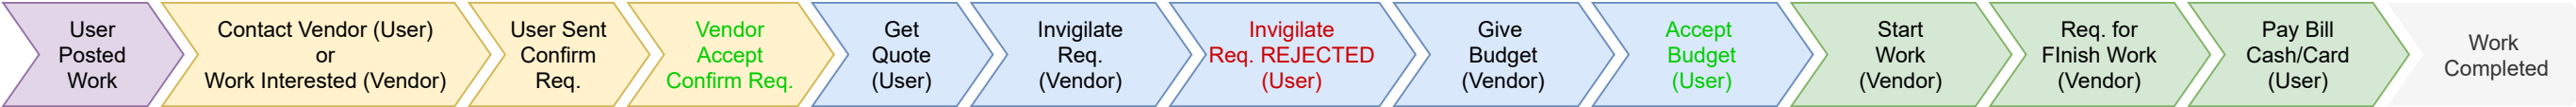

Work Process (Shortest)

Work Process (With Invigilate Accepted)

Work Process (With Invigilate Rejected)

Budget Negotiation

Before **accepting a budget** for the work the vendor and the user can negotiate as many as they want.

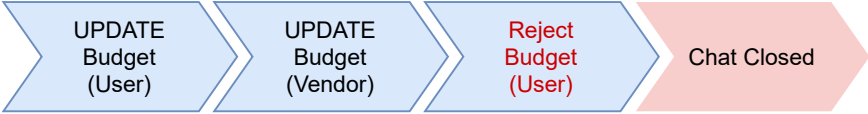

Budget Set Flow - 2

Budget Set Flow - 4

Budget Set Flow - 3

Budget Set Flow - 5
